# LMRA Last Minute Risk Assessment

STOP, THINK  
& ACT  
before you start a  
new job

1

IDENTIFY the hazards

- ✓ Observe & learn to see the hazards
- ✓ Use an LMRA check list

2

EVALUATE the risk

- ✓ Who might be harmed and how?
- ✓ Likelihood of injury?

3

Take ACTION

- ✓ Eliminate the hazard
- ✓ If not possible, find a less hazardous alternative:
  - Take collective measures
  - Wear individual protection
  - Be prepared for emergencies

4

START the job SAFELY

A safe work  
environment!
